

## SMISKI

Cute, Affordable and glows in the dark.

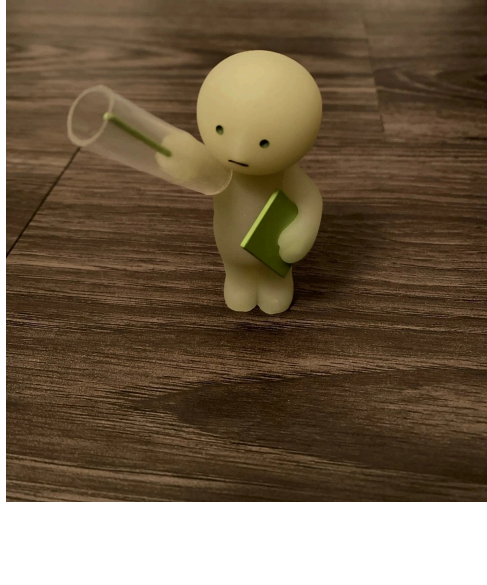

When getting a hipper, you're also getting a support buddy that'll be with you 24/7

The figurines can help spice up your room in the morning and also at night, since it also glows in the dark!

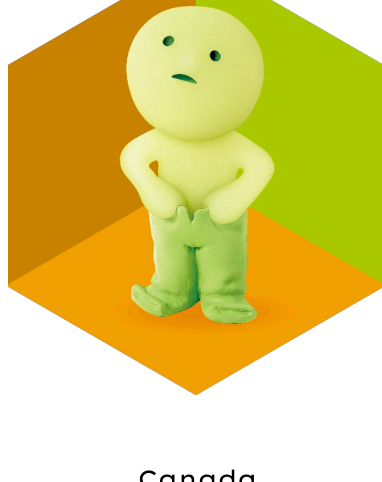

## About

Smiski's are small figurines bought from blind boxes who glows in the dark. Certain collections are able to be used for different purposes. There are also many types of smiskis like phone hipers, keychain, these small collectables and zippers.

## Price

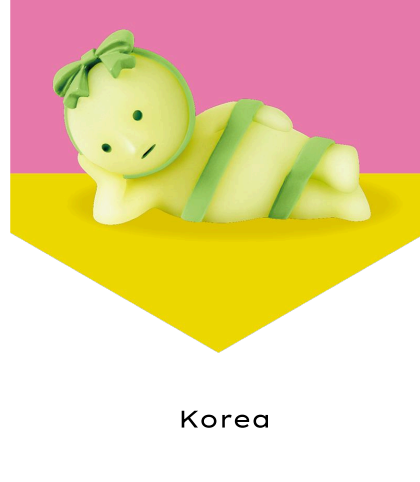

### Canada

Here, the prices vary a lot. For regular blind-box Smiski figures, it'll be around 15-30\$. For special or limited series, it can go up to 40\$. Their hipper collection cost between 18-20\$ but they are quite popular so it is quite difficult to find them.

### Japan

In Japan, the price for a regular/ normal Smiski serie is around 10-12\$ in normal retail stores. For special series, it can go up to 26-30\$ but it also depends on where we get the Smiskis from. For example from big, popular malls could be more expensive than some small and less known family stores.

### Korea

In Korea, the prices for a regular Smiski serie is roughly 9.50-15\$ per blind-box. But for Hipers, it'll be around 35\$ each. If you want to buy a whole box of 12 blind-box, it'll cost 200-250\$.
